

WORKERS' COMPENSATION FRAUD NOTICE

We provide workers' compensation insurance for our employees as required by state law. The insurance provides important protection for employees who suffer a work-related injury. We encourage employees to report all workplace injuries immediately and to take advantage of the benefits provided by our workers' compensation insurance if they are injured on the job.

Workers' compensation insurance provides important protection for employees who suffer an injury at work. Unfortunately, we understand that some employees are encouraged to file fraudulent workers' compensation claims. For your own protection, you should know that the California Insurance Frauds Protection Act provides that it is unlawful for any person to:

"Make or cause to be made any knowingly false or fraudulent material statement or material representation for the purpose of obtaining . . . compensation . . . and shall be punished by imprisonment in county jail for one year, or in the state prison for two, three or five years, or by a fine not exceeding Fifty Thousand Dollars (\$50,000.00) . . . or by both imprisonment and fine."

Our policy is to investigate all questionable workers' compensation claims. If they appear to be fraudulent, they are referred to the Bureau of Fraudulent Claims and the District Attorney's office.
